

KITTIES!

THE STORY OF EMMELINE AND DAPHNE

August 21, 2003: Two small, frightened kittens arrive.

This is the one about Daffy.

My dear Emme died in April 2015. Daffy moved with me to a new home. She was very happy.

Daffy left us July 30, 2020.

A more loving cat has never shared her life with us.
